

Annual EEO Public File Report Form
MonsterMedia, LLC
KLJZ-FM & KCYK-AM

June 1, 2021 – May 31, 2022

The purpose of this EEO Public File Report (“Report”) is to comply with Section 73.2080(c)(6) of the FCC’s 2002 EEO Rule. This Report has been prepared on behalf of the Station Employment Unit that is comprised of the following stations: KLJZ-FM & KCYK-AM, and has been placed in the public inspection files of these stations and posted on the appropriate websites.

The information contained in the Report covers the time period beginning June 1, 2021 to and including May 31, 2022 (the “Application Period”).

The FCC’s 2002 EEO Rules require that this Report contain the following information:

1. A list of all full-time vacancies filled by the Station(s) comprising the Station Employment Unit during the Applicable Period;
2. For each such vacancy, the recruitment source(s) utilized to fill the vacancy (including, if applicable, organizations entitled to notification pursuant to Section 73.2080(c)(1)(ii) of the new EEO Rule, which should be separately identified), identified by name, address, contact person, and telephone number.
3. The recruitment source that referred the hiree for each full-time vacancy during the Applicable Period;
4. Data reflecting the total number of persons interviewed for full-time vacancies during the Applicable Period and the total number of interviewees referred by each recruitment source utilized in connection with such vacancies; and
5. A list and brief description of the initiatives undertaken pursuant to Section 73.2080(c)(2) of the FCC rules.

For purposes of this Report, a vacancy was deemed “filled” not when the offer was extended but when the hiree accepted the job offer. A person was deemed “interviewed” whether he or she was interviewed in person, over the phone or by e-mail.

Training Programs:

Training programs are designed to enable station personnel to acquire skills that have the potential for advancement within the organization.

Marketing Assistants at our radio stations are trained in commercial production for clients as well as station promos, liners and imaging segments. This training helps the individual to develop a professional ear for quality sound (whether it be a commercial or on-air programming).

Marketing Assistants are trained to prioritize their production based on client: approvals, needs, and actual air dates.

They are trained to utilize the Adobe Audition System, as well as the DadPro on air systems. Marketing Assistants also train with the Traffic Department on entering advertising time orders.

Operations Manager/Traffic Manager is trained to enter Traffic and Client orders in the RadioTraffic system as well as meeting the needs of industry standards as systems migrate with updated OSI.

Marketing Assistant and Operations Manager continue to train on website development and knowledge integration with the current platform and continuously work on the website making improvements and daily updates.

Account Executives utilize programs provided by the Arizona Broadcast Associates as well as other local programs for Media Sellers. Webinars and online training platforms used during this reporting period are:
